

HELLO! I'M

Giada Crepaldi

BLOGGER @PURPOSEFULDREAMERS

Who am I?

Blogger. Traveler. Writer. **(& Your next hire 😊)**

I was probably born with a pen in my hand because I've been writing for as long as I can remember.

My passion for **storytelling** and **inspiring others** led me to launch [Purposeful Dreamers](#) in March 2023 – a blog dedicated to helping people become the **best version of themselves** so they can create and live their **dream lives**.

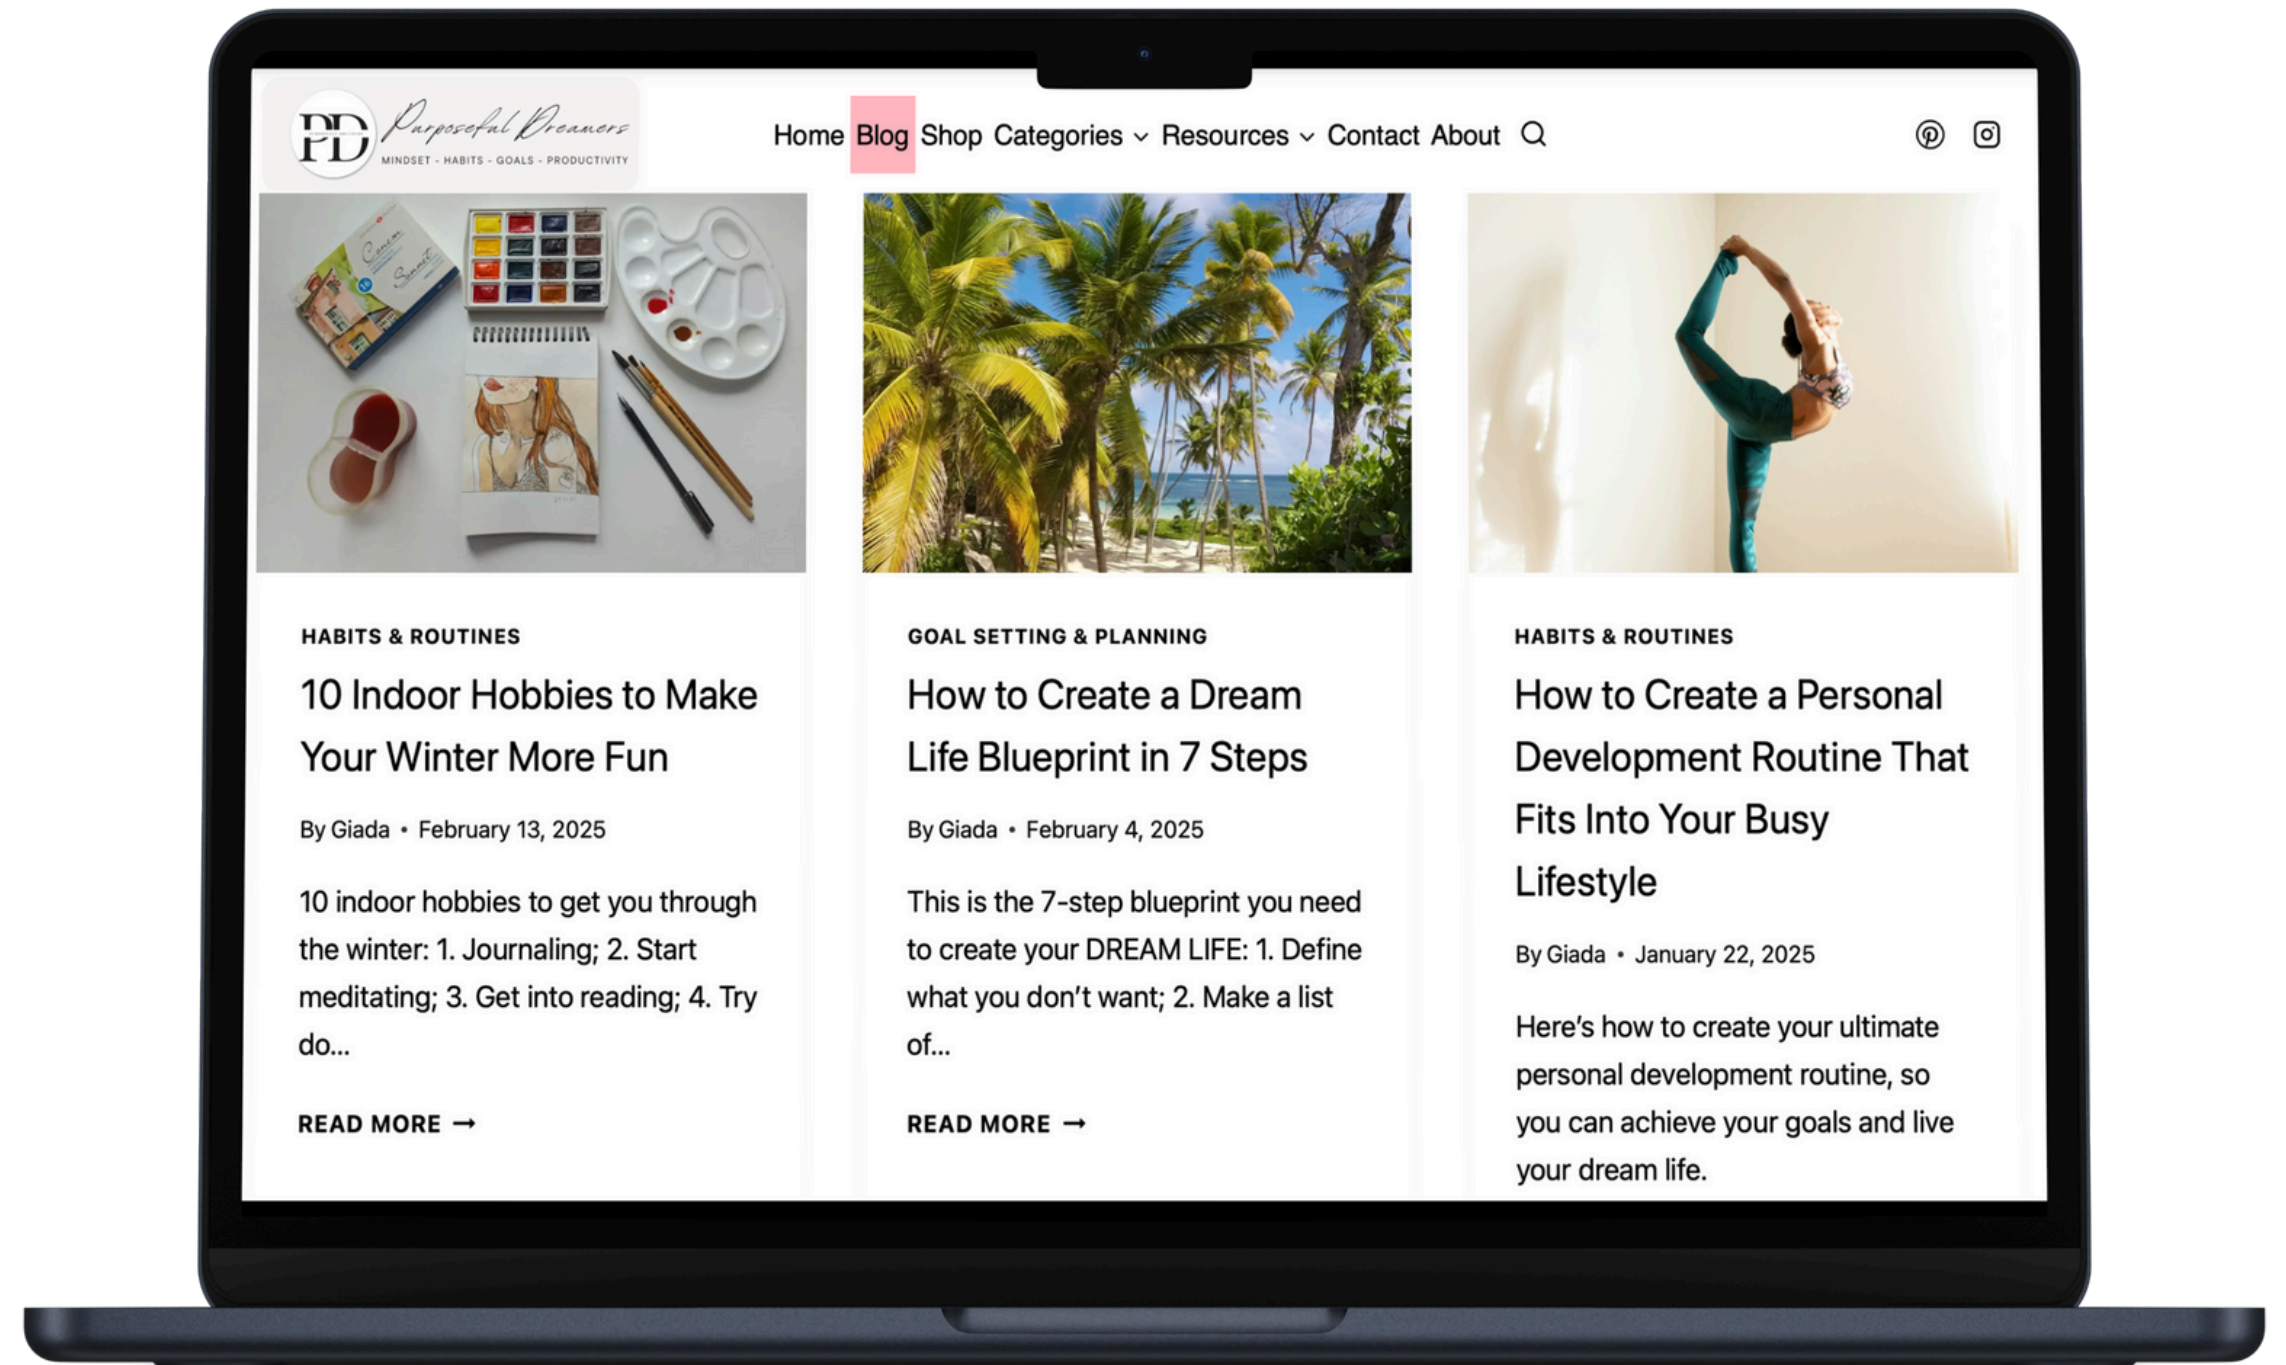

Why? Because everyone deserves to live a life they **love!**

Purposeful Dreamers is a **personal development blog** focused on: habits & routines, goal setting, mindset, productivity, time management, and blogging.

If you're looking for someone who can write about these topics with passion and expertise, you're looking at the right person!

I mostly write about:

- **Healthy habits and routines**
- **Goal setting tips**
- **Mindset hacks**
- **Productivity tips**
- **Time management techniques**
- **Blogging tips**

If you're curious about my work, here are the 3 most popular articles I've written:
